FCC Statement (United States Only)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

Note: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Battery Installation

- Locate the battery compartment door on the mobile hub.
- Loosen the screws in the battery compartment door with a Phillips screwdriver. Remove the battery compartment door.
- Insert four "AA" (LR6) **alkaline** batteries.

Hint: We recommend using **alkaline** batteries for longer battery life.

- Replace the battery compartment door and tighten the screws with a Phillips screwdriver. Do not over-tighten.
- If this toy begins to operate erratically, you may need to reset the electronics. Slide the power/volume switch off and then back on.
- When motion/sound/lights from this toy become faint or stop, it's time for an adult to change the batteries.

- Protect the environment by not disposing of this product with household waste (2002/96/EC). Check your local authority for recycling advice and facilities (Europe only).

Battery Safety Information

In exceptional circumstances, batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium).
- Insert batteries as indicated inside the battery compartment.
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the product. Dispose of batteries safely. Do not dispose of this product in a fire. The batteries inside may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type, as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the product before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

Care

Hint: To remove the tubes from the hub, simply press the buttons on the hub near each tube socket.

Mat and Elephant Toy

- Wash in cold water on the gentle cycle. Do not use bleach. Tumble dry low.

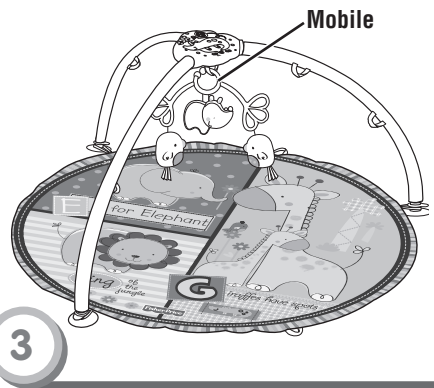

Tubes, Hub, Mobile and Toys

- Wipe the surface with a clean cloth dampened with a mild soap and water solution. Do not use bleach.
- Do not immerse hub.

Setup

- Insert and **"snap"** the tubes into the hub.

- Fit the clip on the mobile onto the loop on the hub.

- Lay the mat on a flat surface with the decorated side up.
- Insert the end of each tube through the largest loops on the outside edge of the mat.

- Hang the toys from loops on the arches or the mat.

Motorized Mobile with Music & Lights!

On-the-Go Fun!

- Remove the mobile from the hub.
- Clip the mobile to a stroller for on-the-go entertainment.

- Slide the power/volume switch on the hub to ON with low volume ◀▶, or ON with high volume ◀▶▶.
- Slide the mode switch to 🎵 **Music Only**, 🎵💡 **Music and Lights** or 🎵🌀 **Music and Motion**.
- Press the song select button to play a song. Press again to change the song. Music plays for up to 20 minutes with each press!
- When you are finished playing with this toy, slide the power/volume switch OFF ○.
